## Community Involvement

---

While we strive to provide our clients top service, our legal team has long valued our commitment to community service as part of our mission and identity. We are strong in our resolve to make a difference in the community and impact the lives of those who need assistance and support. We have members who routinely participate in charity walks and runs that benefit many local non-profits organizations.

We have participated in various community activities, including:

- United Way
- Breast Cancer Awareness Month, honoring our own Jennifer Wolf
- Food Drives for Meals on Wheels
- John 3:16 Mission
- Toys For Tots
- Give Kids the World Village
- Green Country Habitat for Humanity
